LeetCode

Summary

Enthusiastic B.Tech student specializing in Artificial Intelligence and Machine Learning (AIML), passionate about technology and problem-solving. Eager to learn and grow in the tech industry, with a focus on developing real-world skills through projects, courses, and internships.

Education

B.Tech

🏫 Pranveer Singh Institute of Technology

📅 2022- 2026

Pursuing B.Tech with a focus on AI and ML fundamentals including Python programming, data structures, machine learning algorithms, and statistics. Gained practical exposure through course projects, online certifications, and hands-on mini-projects. Currently focused on placement preparation and skill-building in core areas like coding, aptitude, and technical interview topics.

High School

🏫 B.S.S Education Center

📅 2019- 2020

Intermediate

🏫 B.S.S Education Center

📅 2021- 2022

Projects

Student Marks Analyzer

- Created a simple Python-based tool that takes marks and gives average, topper, and fail/pass info.
- Used basic logic and loops in Python.

Chatbot (Mini-Project)

- Built a rule-based chatbot using Python with predefined question-answer pairs.
- Helped understand string matching and conditionals.
